JOURNAL OF THE ASIAN ELEPHANT SPECIALIST GROUP

GAJAH is a biannual journal of the *Asian Elephant Specialist Group* of the IUCN-Species Survival Commission (SSC). It is published with financial assistance from the World Wide Fund for Nature (WWF), with the following aims:-

1. To highlight the plight of the Asian Elephant.
2. To promote the conservation of the Asian Elephant, and
3. To provide a forum for communication amongst the members of the Asian Elephant Specialist Group.

The Editors of *GAJAH* welcome manuscripts and communications dealing with all aspects of Asian Elephant conservation and management, for consideration for publication. All original papers will be reviewed by referees. Contributions should be typed, double spaced, on one side of A4 paper, or submitted on disks (WordPerfect 5.1). All material may be reprinted unless it has been used in *GAJAH* from an identified source publication, in which case, no reprint is authorised except upon permission of the source publication. Reprinted material should bear the author's name and credit to *GAJAH* should be given. The Editors would appreciate copies of any material so used. The articles published in *GAJAH* do not necessarily reflect the views or opinions of the Asian Elephant Specialist Group (AESG), Species Survival Commission (SSC), World Conservation Union (IUCN), World Wide Fund for Nature (WWF), Editorial Board or the Editors.
